

EXCLUSIVE TECHNICAL VISIT TO PROTON HOLDINGS BERHAD

Date : 08th July 2026 (Wednesday)
Time : 8.00 am - 1.00 pm
Venue : Perusahaan Otomobil Nasional Sdn. Bhd. (Tanjung Malim)
Address : Mukim Hulu Bernam Timur, Daerah Muallim,
35900 Tanjung Malim, Perak Darul Ridzuan
Transport : Transportation Provided (Departure from Wisma IEM)

SYNOPSIS

Step inside the world of automotive innovation with an exclusive technical visit to PROTON Holdings Berhad, where engineering excellence meets real-world safety practices.

This visit offers a rare opportunity to witness how safety is embedded at every stage of modern automotive engineering and manufacturing. Participants will explore PROTON's state-of-the-art facilities and gain firsthand insights into how cutting-edge technologies, advanced automation, and robust engineering design work together to create safe, reliable vehicles.

Throughout the session, you'll discover how industry professionals implement safety management systems, conduct risk assessments, and maintain strict workplace safety standards within a dynamic production environment. From vehicle safety design to quality assurance processes, this visit highlights the critical role engineers play in ensuring both product integrity and safety.

More than just a tour, this experience connects theory with practice, showing how safety principles directly influence engineering decisions, operational efficiency, and innovation in large-scale manufacturing.

Engage with industry experts, observe real engineering processes in action, and deepen your understanding of how safety drives the automotive industry forward. Whether you're an engineering student, a practicing engineer, or a professional looking to expand your industry knowledge, this technical visit promises valuable insights and an inspiring learning experience.

Jointly Organised By :
Safety in Engineering Special Interest Group (SESIG),
Seniors Special Interest Group (SSIG) & Mechanical Engineering Technical Division (METD),
The Institution of Engineers, Malaysia

ITINERARY OF THE VISIT

- 08.00 am : Registration at Wisma IEM
08.30 am : Depart to Proton, Tanjung Malim
10.00 am : Arrival at Lobby
10.10 am : Welcome & Opening Remarks
10.20 am : Technical Briefing Session
- Overview of automotive engineering at PROTON
 - Safety management systems in manufacturing
 - Risk assessment practices & workplace safety culture
 - Integration of safety in vehicle design and production
- 11.20 am : Tour of the Facilities
- Visit to key production areas
 - Observation of:
 - Automated manufacturing processes
 - Safety practices in real-time operations
 - Quality assurance and inspection systems
- 12.30 pm : Q&A Session
12.40 pm : Token of Appreciation & Group Photo
1.00 pm : End of visit & Depart to IEM

COMMITMENT FEES (EXCLUSIVE SST)

(Non Refundable & non transferable)

IEM Member : RM 70.00

Non IEM Member : RM 90.00

LIMITED TO FOURTY (40) PARTICIPANTS ONLY !

PERSONAL DATA PROTECTION ACT

I have read and understood the IEM's Personal Data Protection Notice published on IEM's website at <http://www.myiem.org.my> and I agree to IEM's use and processing of my personal data as set out in the said notice.

- The visit is strictly limited to only **Forty (40)** participants registered on a first come first pay basis.
- Interested members could register and pay online at IEM website (<http://www.myiem.org.my>); or register by returning the appended registration form by **08th July 2026** together with the payment.
- Cheques are to be made payable to "The Institution of Engineers, Malaysia".
- After this closing date, IEM reserves the right to allocate seats on first come first pay basis.
- Members are also reminded that if a place is reserved, IEM may cancel the reservation if payment is not received.
- If IEM maintained the reserved seat and the intending participant failed to attend the visit on the date of the event, the fee will still have to be settled in full.
