SUB-COMMITTEE ON WOMEN ENGINEERS, IEM

Report on ‘IEM Women Engineers’ Support to Single Mother Association – Malaysian Spring Single Mothers Society’s (MSSMS)’

Prepared by: Ir. June Lau Yuk Ma, Chairperson of the Sub-Committee on Women Engineers, IEM

On 6 March 2010, IEM Women Engineer representatives, Ir. Magdelene Tan Lee, Ir. June Lau Yuk Ma and the Secretariat, Encik Ahmad Tarmizi Abu Arrifin transported three (3) units of computers complete with software operating system to the Malaysian Spring Single Mothers Society’s (MSSMS) office in Kuchai Lama. The computers were donated by one of our members, Ir. Chin Lee Leng.

The donation of the computers was our way of showing support for MSSMS who are providing structured training on computer skills for to single mothers. IEM Women Engineers wholeheartedly appreciate MSSMS’ unlimited support for the single mothers, . the The acquired computer skills will definitely provide the single mothers with a better opportunity in the job market.

As the saying goes “When we help a woman, we help a family behind her.”
