

A FRIENDLY REMINDER

Contribution to IEM Building Fund

Further to our appeal in June 2012, we are pleased to acknowledge the contributions received from a number of members. Status of contributions received as at 30 June 2013 is **RM172,063.00**.

IEM wish to take this opportunity to thank members who had contributed generously. IEM hopes that many more members would come forward to join the league of members leaving their mark in IEM's history.

For members who had not contributed, we appeal for your kind consideration. You may download the donation form from the IEM Website under "Download".

THANK YOU.
