CALL FOR PAPERS

Journal of Construction Engineering and Project Management

Dear Members,

You are invited to submit an article to the Journal of Construction Engineering and Project Management (JCEPM) which offers wide ranging and comprehensive coverage of all facets of construction engineering and project management. The Journal was being expecting their first publication on May 2011. The Journal will only be published quarterly and targets to be SCI-E indexed by the end of 2012. For more information, do e-mail to jcepm@kicem.or.kr or contact Mr. Samuel T. Ariaratnam, Moonseo Park, Co-Chief Editors of the Journal of Construction Engineering and Project Management.

Thank you.

CALL FOR NOMINATIONS

WORLD FEDERATION OF ENGINEERING ORGANISATIONS (WFEO) 2011 AWARDS, GENEVA, SWITZERLAND, IN SEPTEMBER 2011 INCONJUNCTION WITH WORLD ENGINEERS' CONVENTION (WEC) 2011

The WFEO would like to call for nominations for the following awards. Below are the details:

(a) 2011 Medal of Engineering Excellence for Distinguished Achievement Service of Humanity

The first presentation of the WFEO Medal (the Engineering Achievement Award) was made in Prague, Czechoslovakia, in September 1989 during the 12th General Assembly of WFEO. The Medal was to be presented biennially hereafter, helping *direct world attention to the practice, theory and public contributions of engineering*. There is no honorarium or stipend associated with the award.

- **Award criteria:** The recipient will be chosen based on his or her noteworthy contributions to the practice, theory or public status of engineering. Nominees should possess appreciable experience in the profession, international standing as well as significant educational accomplishments.

(b) 2011 Medal of Excellence in Engineering Education

The first presentation of the WFEO Medal was made in Madrid, Spain, in November 1999, during the 18th General Assembly of WFEO. The Medal was to be presented biennially hereafter, helping direct world attention to the importance of continuing improvement in the quality, delivery and relevance of engineering education and training. There is no honorarium or stipend associated with the award.

- **Award criteria:** The Award recipient shall be an engineer as defined by the relative standards of the nominating WFEO member organisation.

Nominations for the awards of WFEO Associate, The Consolidated Contractors Group;

(c) 2011 Hassib J. Sabbagh Award for Engineering Construction Excellence for Innovative Wind Power or Solar Power

The purpose of this Award is to direct world attention to the role of engineering in sustainable development. The Consolidated Contractors, under the leadership of the late Hassib J. Sabbagh, gave the WFEO responsibility for organising the Hassib J. Sabbagh Award for Engineering Construction Excellence. This Award was instituted in 2002 by the initiative and endowment of late Hassib J. Sabbagh who devoted many years of concern and effort in the area of engineering and construction. The award consists of a medal, a certificate and a cash prize of \$10,000 USD and presented in conjunction with the biennial General Assembly of the WFEO. The first presentation was given during the WFEO General Assembly in Tunis, Tunisia in October 2003.

- **Award criteria:** The Award recognised the noteworthy contributions in the field of INNOVATIVE WIND POWER or SOLAR POWER by an engineer(s) as defined by the relative standards of the nominating WFEO member organisation.

All Awards would be presented in Geneva, Switzerland, during the WFEO General Assembly and the WEC 2011 meetings from September 5-10, 2011, where the award recipient would give a brief presentation on a topic related to the basis of the nomination.

Nominations for each award should be submitted to the Secretariat of FMOI/WFEO **not later than 30 April 2011** to the **executivedirector@wfeo.net**. For more information and to download forms, visit the WFEO website at **www.wfeo.org**.

Thank you.
