BACKGROUND

Hanson Quarry Products Sdn Bhd is the largest producer of aggregates and asphalt nationwide whilst Hanson Building Materials Malaysia Sdn Bhd holds a strong market position in ready-mix concrete.

Their vision is to remain as Malaysia's number one aggregates company supported by first class concrete, asphalt, logistics operations. We strive to achieve global recognition for excellence through our key values of safety, high performance, innovation, respect, integrity and sense of ownership.

Hanson Malaysia operates 21 quarries producing aggregates strategically located throughout Peninsular Malaysia, almost 20 asphalt plants mostly sited in Hanson Malaysia's quarries and over 40 ready-mix concrete plants serviced by approximately 400 mixer trucks.

Hanson Malaysia industry experience is extensive, enhanced through global exposure which comes from being part of Heidelberg Cement Group - the largest supplier of aggregates in the world with leading positions in cement and ready-mix concrete.
