## DONATION / CONTRIBUTION

IEM had established the following funds for various purposes:

---

### IEM BUILDING FUND

Wisma IEM was purchased in November 2007 with a term loan of RM12.15 million repayable over 15 years. In the last six years, with the concerted efforts of the IEM Council and committed members, extensive fundraising was carried out. Coupled with the proceeds from rental of the building to Maktab Koperasi Malaysia, we are pleased to inform all members that as at June 2014, the outstanding balance of the loan is RM4,674,647.

The “**LAST LAP**” is a call to all members (excluding students) to come together and wipe off the borrowing this year i.e. 8 years ahead of schedule, a “**FEAT**” that all IEM members can be proud of.

All that's needed is just a “ONE TIME” minimum contribution of **RM 200.00** from each of the members. If you could indicate your acceptance of our proposal in the attached **Form A**.

---

### IEM BENEVOLENT FUND

The objective of the **IEM Benevolent Fund** is to provide relief to persons who are incapacitated by or suffering from hardship, sickness, age, accident or other infirmity (whether bodily or mental) and who are unable to pay for their own care. The persons qualified to receive such relief shall be:-

- i. persons who are for the time being or have at any time been corporate members or non-corporate members of The Institution of Engineers, Malaysia (past or present members), or,
- ii. the wives, husbands, widows, widowers, children or other relatives or dependents of such past or present members,
- iii. any other persons that the Council may in their discretion deem fit.

For this purpose, the Board of Management of the IEM Benevolent Fund is appealing for your generous support and had proposed a donation of **RM 50.00** for the year 2015. However, you may wish to donate more or less than the proposed amount.

---

### IEM EDUCATION FUND

The **IEM Education Fund** was set up on 11 May 1979 with the objective of contributing towards the further progress and advancement of all disciplines of the Engineering profession. The IEM Education Fund provides scholarships and educational loans, and also the provision of grants and sponsorships for seminars, conferences, research and other related engineering educational activities.

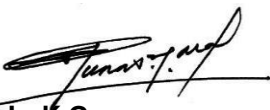

The Board of Management for the IEM Education Fund is appealing for your generous support and had proposed a donation of **RM 50.00** for 2015. However, you may wish to donate more or less than the proposed amount.

**All donations to the IEM Education Fund are tax-exempted.**

---

IEM wish to express our deepest appreciation and gratitude for your generous support and contributions. We also thank you for your prompt action on the renewal of your membership. Should you have any query, please do not hesitate to contact any of our Secretariat staff.

Thank you.
