EVENING TALK ON IECEX CERTIFICATION OF PERSONNEL COMPETENCE (CoPC) FOR EXPLOSIVE ATMOSPHERES

(Organised by the Electrical Engineering Technical Division, IEM)
BEM Approved CPD/PDP Hours: **2** Ref No: IEM15/HQ/116/T

Date : 29th April 2015
Time : 5.30 pm–7.30 pm (*Refreshment will be served in 2nd Floor*)
Venue : C&S Lecture, TUS Lecture Room, 2nd Floor, Wisma IEM, PJ
Speaker : Ir. Syed Fadzil Bin Syed Mohamed

SYNOPSIS

IECEX Certification of Personnel Competence (CoPC) for Explosive Atmospheres is one of the schemes under the IECEX Certification System.

IECEX CoPC is for persons engaged in work and services related to explosive atmospheres which requires skilled and knowledgeable personnel to perform proper hazardous area classification, installation, inspection, maintenance, repair, overhaul, testing, inspection, design and audit of explosion protected equipment.

The objective of the IECEX CoPC is to provide cross-industry competencies needed for work associated with equipment for hazardous areas.

IECEX CoPC provides a single system for the assessment and qualification of persons meeting the competency prerequisites needed to properly implement the safety requirements based on the IEC Standards covering explosive atmospheres

IECEX CoPC demonstrates personnel competency and provides confidence on operational of equipment complying with IECEX requirements and IEC standards related to explosive atmospheres.

Certificate of Personnel Competence (CoPC) will be issued when compliance with the scheme requirements has been achieved and the personnel is competent according to the Units of Competence in the scope of the application.

BIODATA OF SPEAKER

Ir. Syed Fadzil Bin Syed Mohamed graduated from the University of Paisley, Scotland, United Kingdom with B.Eng (Hons) in Mechanical Engineering. He has more than 20 years working experience in the field of Materials Research, Engineering Failure Investigation and Conformity Assessment. He is an examiner for IECEX Certification of Personnel Competence (CoPC) scheme.

Currently he is a Consultant at Product Certification and Inspection Department, SIRIM QAS International Sdn. Bhd.

Ir. Lam Sing Yew
Chairman
Electrical Engineering Technical Division, IEM

ANNOUNCEMENTS TO NOTE:

- Preferential admission to talk shall be accorded to IEM members (**pre-registration and online registration are NOT required**). (**telephone and/or fax reservation will NOT be entertained**)
- **Non members** may also attend the talk but will be charged a registration fee of **RM50** and an administrative fee of **RM15**.
- For affiliate members, there will be no registration fee. However, they are requested to produce their membership card as proof of membership. For the list of affiliates, please refer www.myiem.org.my/content/memorandum_of_understanding-469.aspx.
- Limited seats are available on a "first come first served" basis (maximum 110 participants).
- IEM members are required to produce your membership cards for confirmation of attendance (CPD purpose).
- Latecomers will not be allowed to enter if the lecture hall is full nor be entitled to CPD. *IEM members who fail to produce their membership cards will be charged a fee of RM25.00.*

FUNDS FOR IEM BUILDING FUND (WISMA IEM)

- Kindly be informed that IEM will be charging participants **RM15** as administrative fee for talks organized by IEM.
 - The fee would be used to cover overhead costs, building maintenance expenses as well as to support the purchase of the new building.
 - All contributions will be deeply appreciated by IEM
 - Students are however exempted.
- Your understanding is greatly appreciated.
