Venue : Auditorium Tan Sri Prof. Chin Fung Kee, 3rd Floor, Wisma IEM

**BEM APPROVED
CPD/PDP HOURS :
Applying**

BACKGROUND

MSMA (Manual Saliran Mesra Alam), an abbreviation from Malay Language translation of Urban Stormwater Management Manual, has been widely accepted term and since become trade mark in the stormwater industry in Malaysia.

The first edition of the Manual, published in 2000, has served as invaluable references for both authority and private professionals. The version included the latest standards and practices, technologies, best engineering practices that were generally based from foreign countries. The first edition was also quite voluminous and relatively difficult for engineers and professionals to use. Recognising all these and after ten (10) years time lapse, Department of Irrigation and Drainage Malaysia has improved the first edition and issued MSMA 2nd Edition back in the year 2012.

The MSMA 2nd Edition is developed through contributions from the Government as well as private sectors and foreign experts. The Manual has been simplified and updated to serve as a source of information and to provide guidance pertaining to the latest stormwater best management practices (BMPs). This is one of the many initiatives undertaken by the DID to further enhance its services parallel with ongoing transformations taking place in Government Department and

private sectors. This forum is arranged to provide a platform for the end users of this documents i.e consulting engineers, developers, local authorities and others to learn the changes introduced in this latest version and also to resolve the uncertainties and clarifications on the contents from the experience panels line up.

Keynote Speaker :

Ir. Low Koon Sing - Director of Urban Drainage Division of DID Malaysia

Panel Members:

- Ir. Low Koon Sing - Director of Urban Drainage Division of DID Malaysia
- Ir. Chong Sun Fatt - Advisor, G&P Water & Maritime Sdn. Bhd
- Ir. Raja Nur Ashikin Raja Zainal - Director of ERE Consulting Group (Environment Consultant)
- Representative from The Real Estate and Housing Developers' Association of Malaysia (REDHA)

REGISTRATION FEE (GST not included)

Grade	Online Fee	Normal Fee
IEM Student	50	60
Graduate Members	60	70
IEM Corporate Member	90	100
Non IEM Member	120	130

PROGRAMME

08:30 – 08:50	Registration
08:50 – 09:00	Opening Remarks by WRTD's Chairman
09:00 – 10:15	Presentation on Sustainable Urban Storm water Management by : Ir. Low Koon Sing
10:15 – 10:45	Tea Break
10:45 – 12.30	Forum Sessions <ul style="list-style-type: none"> - Views From Panels - Views from Participants
12:30 – 12.45	Conclusion & Recommendations
12.45 – 1.00	Closing Remarks
