### SYNOPSIS

The Boilermech Group, comprising of Boilermech Holdings Berhad and its wholly owned subsidiary Boilermech Sdn Bhd, is a leading biomass boiler manufacturer and steaming technology provider (various pressure range) with a regional market presence. Starting in 2005, Boilermech has over the years acquired a reputation of being a reliable manufacturer and technology provider, particularly with the ability and specialty to provide designs and engineering solutions to suit customers' individual needs and technical requirement, and the capability to ensure timely delivery and installation of boiler at site. Their customers are mainly from various industries, particularly from agricultural-based industries. For instance, oil palm industries, sugar mills, flour mills latex plants, rubber glove plants, etc.
