SYNOPSIS

MIMOS is Malaysia's Premier Applied Research and Development Centre in Information and Communications Technology, Industrial Electronics Technology and Nano-Semiconductor Technology. As a strategic agency under the Ministry of Science, Technology and Innovation (MOSTI), MIMOS contributes to raising Malaysia's competitiveness by pioneering market creation for Malaysian technopreneurs through patentable technology platforms, products and solutions. Over the past 10 years, MIMOS has filed more than 1000 Intellectual Properties in various technology domains and across key socio-economic areas. Serving a central role in Malaysia's transformation journey and ICT Vision, MIMOS endeavours to create a culture of innovation by nurturing relationships with internal and external stakeholders, in the spirit of smart partnerships and inclusive growth models and strategies. To learn more about MIMOS, please visit www.mimos.my.

In the visit, there will be an overview of the role and functions of MIMOS. The delegates will also be exposed to the high level of R&D developments during a lab tour – 1BigLab.
